

Product Data Sheet for WypAll® L10 Surface Wiping Paper - Jumbo Roll / Blue - 7200

Product Information

Product Long Code	07200311	
Customer Facing Code	7200	
Description	WypAll® L10 Surface Wiping Paper - Jumbo Roll / Blue	
PDS Reference	21/03/2024	

Packaging Configuration

Case Contents	7200: 1 Roll x 1000 Sheets = 1000 Sheets
Outer Pack Material	LDPE

Icon	Unit	Dimension			Weight(kg)
	Roll	23.50	x 30.00	Height x Diameter(cm)	2.93
	Sheet	38.00	x 23.50	Length x Width(cm)	

Product Description

No matter which surfaces they come into contact with throughout their day, give your employees and visitors greater peace of mind by providing proven cleaning and disinfecting workplace hygiene solutions to help break the chain of germ transmission. The WypAll® L10 wiping rolls are designed for the specific environments where they will be used, helping enable you to deliver on your wiping task every time. The single use, disposable paper wipes are designed for light duty wiping tasks and surface wiping in industrial and process environments. This 1 ply, jumbo blue roll is a large, high capacity roll with 1,000 paper wipers per roll. The unique Airflex™ Technology in this wiping paper is designed for exceptional strength and absorbency. These WypAll® wipes are designed to be used once with detergent or disinfectant. These dry cleaning wipes have been tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide and quats (quaternary ammonium compounds). Spray and wiping compatibility helps to ensure workers can wipe own work spaces, vehicles, desks, seating and food prep areas before and after use. Spray and wipe also helps to enable production workers to clean down/sanitise individual workstations before hand-off to next shift to help support workplace hygiene. For environments where fully saturated wiping is a requirement, these paper wipers are tested as compatible with soap/detergent. Always follow manufacturers instructions for dilution, application and contact time. WypAll® surface wiping paper is also available as a white jumbo roll (7202). This jumbo roll is compatible with Kimberly-Clark wall mounted and floor stand jumbo roll dispensers (6146, 6154 and 6155). Individual sheet size 38cm (L) x 23.5cm (W). 1 roll x 1,000 sheets, 1 ply, blue (1,000 total)

Product Features

- Each WypAll® L10 1 ply wiping roll contains 1,000 wiping paper sheets
- Single use, disposable wipers
- These wiping rolls are designed for light-duty surface wiping in industrial and process environments
- Compatible with various Kimberly-Clark Professional™ rolled hand towel dispensers
- Exceptional strength and absorbency thanks to the Airflex™ Technology in these cleaning wipes
