

Product Data Sheet for WypAll® L20 Cleaning & Maintenance Wiping Paper - Jumbo Roll - Extra Wide / Blue - 7301

Product Information

Product Long Code	07301301	
Customer Facing Code	7301	
Description	WypAll® L20 Cleaning & Maintenance Wiping Paper - Jumbo Roll - Extra Wide / Blue	
PDS Reference	17/06/2023	

Packaging Configuration

Case Contents	7301: 1 Roll x 500 Sheets = 500 Sheets
Outer Pack Material	LDPE

Icon	Unit	Dimension			Weight(kg)
	Roll	32.50	x 26.50	Height x Diameter(cm)	2.95
	Sheet	38.00	x 32.50	Length x Width(cm)	

Product Description

No matter which surfaces they come into contact with throughout their day, give your employees and visitors greater peace of mind by providing proven cleaning and disinfecting workplace hygiene solutions to help break the chain of germ transmission. The WypAll® L20 cleaning and maintenance wiping paper has been designed to provide customers with great reliability for multipurpose wiping and cleaning tasks. These dry cleaning wipes are the ideal solution for medium duty wiping and perfect for tasks such as polishing glass, cleaning surfaces and tools. Ideal for use in larger manufacturing and industrial work areas, or anywhere requiring extensive wiping. These blue wiping rolls are also certified for food contact to the standard of BAR XXXVI, considered to be the benchmark for food legislation in Europe. The blue wipers are designed to be easily detectable in contamination critical environments. The unique Airflex™ base sheet technology of these disposable wipers is strong enough to see any job through from start to finish without falling apart and absorbent enough to clean up most spills with ease. These WypAll® wipes come at the value you would expect from a limited life wiper, but with exceptional strength and absorbency resulting in fewer cleaning wipes used and less money spent. This WypAll® wiping paper can be used once with detergent or disinfectant. These single use wipes have been tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide and quats (quaternary ammonium compounds). Spray and wiping compatibility helps to ensure workers can wipe own work spaces, vehicles, desks, seating and food prep areas before and after use. Spray and wipe also helps to enable production workers to clean down/sanitise individual workstations before hand-off to next shift. For environments where fully saturated wiping is a requirement, these WypAll® wiping rolls are tested as compatible with soap/detergent. Always follow manufacturers instructions for dilution, application and contact time. The WypAll L20 wipes are delivered in a large roll format and users can easily access the wipers using a dispenser. These Kimberly-Clark wipers are compatible with Kimberly-Clark Professional™ dispensers (product codes 6146, 6154 and 6155). Individual sheet size 38cm (L) x 32.5cm (W).

Product Data Sheet for WypAll® L20 Cleaning & Maintenance Wiping Paper - Jumbo Roll - Extra Wide / Blue - 7301

Product Features

- WypAll® L20 2 ply wiping rolls contain 500 paper wipes
