Product Description

Certain controlled tasks require very specific wiping products and dispensing systems. With this in mind, we applied our expertise and wiping technology to create a premium-quality task-specific range that can help maximise efficiency and productivity while reducing wiping and solvent costs. Kimtech™ Auto Primary Tack Cloths are designed with a high quality polyester/polyamide that doesn't fray making them perfect for use in the automotive and manufacturing industries, helping to remove dust and produce a perfect finish with no residue, smears or marks. Individual sheet size 22.9cm (L) x 30.5cm (W). 100 x 4 tack cloths (400 total)

Product Features

- 100 x 4 tack cloths (400 total)
- Microfibres lift and trap surface dirt fast
- Perfect for use in the automotive and manufacturing industries
- Cloths are cost efficient, washable and made with high quality polyester/polyamide that doesn't fray
- Produce a perfect finish with no residue, smears or marks

Product Specifications
