

Stokoderm® Foot Care

Deodorising and Caring Foot Spray

PRODUCT DESCRIPTION

Specially formulated skin protection spray to help prevent feet softening in workplace footwear and reduce the formation of malodour.

WHERE TO USE

To protect feet when wearing occlusive footwear (such as safety shoes, sport shoes and rubber boots).

INSTRUCTIONS FOR USE

- Apply to clean and dry feet only
- Spray 1-2 bursts on to the top and soles of your feet each morning and evening
- Keep toes splayed during application

FORMAT: **SPRAY**

FEATURES	BENEFITS
Unique triple action formula	Specially formulated to help condition and strengthen the skin, plus prevent the formation of malodours in occlusive footwear.
Contains natural tanning agent Hamamelis Virginiana Extract	A natural astringent, known to tighten and toughen the skin's upper layer to help prevent soft skin and improve the skin barrier so that it is less susceptible to fungal infections.
Deodorising effect	Contains essential oils of Eucalyptus, Rosemary and Sage which help prevent unpleasant smells developing from the bacterial breakdown of sweat and provide a pleasant, refreshing effect.
Contains Glycerin	Enhances the water holding capacity of the skin's upper layers, supporting the skin's own moisture system and natural barrier function.
Dispensed as a convenient spray	Easy to use for optimum coverage.
Alcohol-based formulation	Fast and efficient to use, providing refreshing effect on feet and suitable for deodorising footwear.
Universal light fragrance	Leaves the skin lightly scented.
Silicone-free	The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.

Stokoderm® Foot Care

Deodorising and Caring Foot Spray

STATUTORY REGULATIONS

This product is a cosmetic product regulated by and complying with Regulation EC No 1223/2009 (as amended) on Cosmetic Products.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroupp.com/msds.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.
