

Technical Information

Solopol® natural [SOLOPOL® ECO'LINE]

Skin Cleansing

Modern hand cleanser with natural-based cleaning system for heavy-duty skin cleansing. For a pleasantly smooth skin feel.

Description

Solopol® natural is a modern pH skin neutral and solvent-free hand cleanser containing a natural scrubbing agent. It features a powerful cleansing action coupled with very good skin compatibility.

Area of Application

For heavy-duty contamination, for instance from mineral and lubrication oils, graphite, metallic dust and carbon black.

EU Ecolabel

Within the cosmetics industry the EU Ecolabel guarantees highest environmental standards. Specific test criteria are used to analyse the impact of the product throughout its life-cycle, starting from raw material extraction, through to manufacturing, distribution and disposal.

Product Description

Beige, colourant-free, viscous suspension with natural scrubbing agent Astopon®.

Solopol® natural is available in perfumed and perfume-free versions.
