

Product Data Sheet for WypAll® L10 Surface Wiping Paper - Jumbo Roll - Extra Wide / White - 7241

Product Information

Product Long Code	07241311	
Customer Facing Code	7241	
Description	WypAll® L10 Surface Wiping Paper - Jumbo Roll - Extra Wide / White	
PDS Reference	16/02/2024	

Packaging Configuration

Case Contents	7241: 1 Roll x 1000 Sheets = 1000 Sheets
Outer Pack Material	LDPE

Icon	Unit	Dimension			Weight(kg)
	Roll	32.50	x 30.00	Height x Diameter(cm)	4.04
	Sheet	38.00	x 32.50	Length x Width(cm)	

Product Description

No matter which surfaces they come into contact with throughout their day, give your employees and visitors greater peace of mind by providing proven cleaning and disinfecting workplace hygiene solutions to help break the chain of germ transmission. The WypAll® L10 surface wiping paper range has been designed to provide customers with great reliability for multipurpose wiping and cleaning tasks. These dry cleaning wipes are the ideal solution for light duty wiping and perfect for tasks like polishing glass, cleaning surfaces and tools. The unique Airflex™ base sheet technology of these disposable paper wipes is strong enough to see any job through from start to finish without falling apart and absorbent enough to clean up most spills with ease. These WypAll® wipes come at the value you would expect from a limited life wiper, but with exceptional strength and absorbency resulting in fewer wipers used and less money spent. This WypAll® wiping paper can be used once with detergent or disinfectant. These disposable wipers have been tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide and quats (quaternary ammonium compounds). Spray and wiping compatibility helps to ensure workers can wipe own work spaces, vehicles, desks, seating and food prep areas before and after use. Spray and wipe also helps to enable production workers to clean down/sanitise individual workstations before hand-off to next shift. For environments where fully saturated wiping is a requirement, these WypAll® wiping rolls are tested as compatible with soap/detergent. Always follow manufacturers instructions for dilution, application and contact time. These industrial wipers are delivered in a large roll format, providing easy access to wipers using a dispenser in larger manufacturing and industrial work areas, or anywhere requiring extensive wiping. These Kimberly-Clark wipers are compatible with Kimberly-Clark Professional™ rolled hand towel dispensers (product codes 6146, 6154 and 6155). Individual sheet size measures 38cm (L) x 32.5cm (W). 1 Roll x 1,000 White Paper Wipers

Product Features

- WypAll® L10 wiping rolls contain 1,000 white, 1 ply wiping paper sheets
- The dry cleaning wipes are perfect for light duty wiping, such as polishing glass, cleaning surfaces and tools
- The Airflex™ base sheet technology of these paper wipes is strong enough to see any job through from start to finish without falling apart and absorbent enough to clean up most spills with ease
- Large wiper roll format ideal for larger manufacturing and industrial work areas, or anywhere requiring extensive wiping
