Product Description

The WypAll\* X80 Range has been specially designed for heavy-duty, rough surface wiping, where strength and bulk are key requirements. WypAll\* X80 cloths do not tear and maintaining consistency in quality and size. 70% of users were impressed by the durability of the cloth, leading them to be preferred over rags by 3 times more users.

Leading in strength, our goal is to support you in improving productivity and efficiency whilst reducing waste by delivering a clean, reliably consistent and reusable cloth.

Advanced Hydroknit\* technology ensures each cloth is strong, durable and highly absorbent without tearing. Perfect for use in industrial manufacturing.

Supplied in poly-packs to provide protection from grime or dirt touching the product whilst also ensuring you only touch the sheet that you use. Each pack delivers single sheet dispensing, to control usage, increase hygiene and reduce waste.

This product is sold as 4 packs x 50 quarter-fold, white, 1 ply cloths (200 total). Individual sheet size 30.5cm (L) x 31.8cm (W).

Compatible with WypAll\* clothr Dispenser (product code 7969).
